Betreff: Preparatory material for the TEN-E high-level Decision-Making Body on Projects of Common Interest - 4 October 2019, Brussels

Dear Energy Attachés,

As mentioned in my previous email the TEN-E high-level Decision-Making Body meeting will take place on 4 October 2019 in Brussels. The purpose of the Decision-Making Body meeting is to adopt the final regional lists of the candidate Projects of Common Interest (PCIs) under Regulation (EU) No 347/2013 on guidelines for trans-European energy infrastructure.

Based on final regional lists the European Commission will prepare the forth Union list of Projects of Common Interest.

For your preparation, please find attached the following documents:

- Draft electricity and gas regional lists and draft thematic area smart grids, CO2 infrastructure and oil lists
- ACER opinions on the electricity and gas PCI candidates
- Draft minute of the technical Decision making Body meeting held on 5 July 2019
- Consultation outcome reports of the electricity and gas candidate PCI projects

In case of questions please do not hesitate to contact us.

Best regards,

Jane Amilhat
