I hope all is good with you as we enter into another year of homeworking.... 😊

Would this be on your side.

If so perhaps you could confirm who would be best to deal with this and I will send on a lovely email doing the necessary intros etc.

Kind regards

Joe

Joe,

We have been asked to have a pre-application meeting with the Shannon LNG group on Friday to discuss a possible application. As this was something that is mentioned in the Programme for Government I was wondering who in DECC would be the best person to talk to and get an update.

Thanks
Marie
